Lary is a Co-Chair of Marshall Dennehey's Amusements, Sports & Recreation Litigation Practice Group, which defends theme parks, water parks, roller skating rinks, indoor climbing walls, trampoline courts, bowling centers, concert venues, sports stadiums and arenas. Lary handles serious claims arising in this practice area and oversees cases defended in our regional offices. Lary has also been active in establishing Marshall Dennehey as a partner in a number of national amusement-related industries.

A senior attorney with 50 years of litigation experience, Lary has tried over 150 trials to verdict in the state and federal courts of New Jersey and Pennsylvania. In 1983, He was designated a Certified Civil Trial Attorney by the Supreme Court of the state of New Jersey, a designation earned by only one percent of all active trial attorneys in New Jersey. Lary maintained this designation for 40 years. In 2011, Lary became a fellow of the Litigation Counsel of America, a trial lawyer honorary society.

In addition to his trial practice, Lary is legal counsel to the New Jersey Amusement Association, a trade association of amusement parks, theme parks and water parks. As counsel to the Association, Lary is an advocate for the industry on regulatory and legislative matters.

Lary is also a founding member and Director of the International Amusement and Leisure Defense Association (IALDA), a national network of amusement defense attorneys and claims professionals who focus their practice on legal issues in the amusement industry. As part of the national IALDA network, Lary has access to an extensive expert witness database and up-to-date information on the latest legal developments in the industry. Lary is also a member of the Outdoor Amusement Business Association (OABA), the International Association of Amusement Parks and Attractions (IAAPA) where he serves on the North American Government Relations Committee, the National Association of Ride Safety Officials (NARSO), the World Waterpark Association (WWA), and the Roller Skating Association International (RSA), where Lary serves on the Risk Management Committee.

Prior to joining Marshall Dennehey in 2002, Lary was a partner with the firm of Spector Gadon & Rosen in Philadelphia, Pennsylvania, where he successfully defended cases involving amusement facilities, product liability and liquor liability claims. Before that, Lary was a partner with the firm of Ostrager, Fieldman, Zucker, Kachmar & Nirenberg.
